BIOGRAPHY

Diane Williams  
Administrator  
Network Centric Operations Industry Consortium

As Administrator, Diane Williams provides business support to Network Centric Operations Industry Consortium which includes scheduling and promoting virtual and in-person meetings and events, as well as managing and maintaining e-mail contact lists and calendar appointments for the consortium’s leadership, technical teams, and members.

Williams is currently a junior accountant and payroll specialist at German P. Culver Jr., CPA, PC, providing accounting, bookkeeping, payroll, and tax preparation services for individuals and businesses, along with office managerial responsibilities.

Prior to this, Williams spent a decade at Moore Business Forms, Inc., first as a sales assistant, supporting a team of sales representatives and clients in a variety of industries including banking, education, county government and health care. Later, she served as an account specialist with the health care team. She then moved to the position of group leader and managed the administrative staff of a district sales office.

Williams earned a Bachelor of Arts degree in psychology at George Mason University in Fairfax, Virginia.
